Task Success

Task 1

View the photo of the author of any article.

Home > Task 1

Post task questions

Written Response: Are there any features or functionalities you think are missing and should be added?

Search written responses

Malkeet

I think the task is totally broken. I could not see any image for any of the 3 tasks.

raj

well while clicking on the photo , it never showed up

Suraj

no everything is perfect and i doesn't find anything

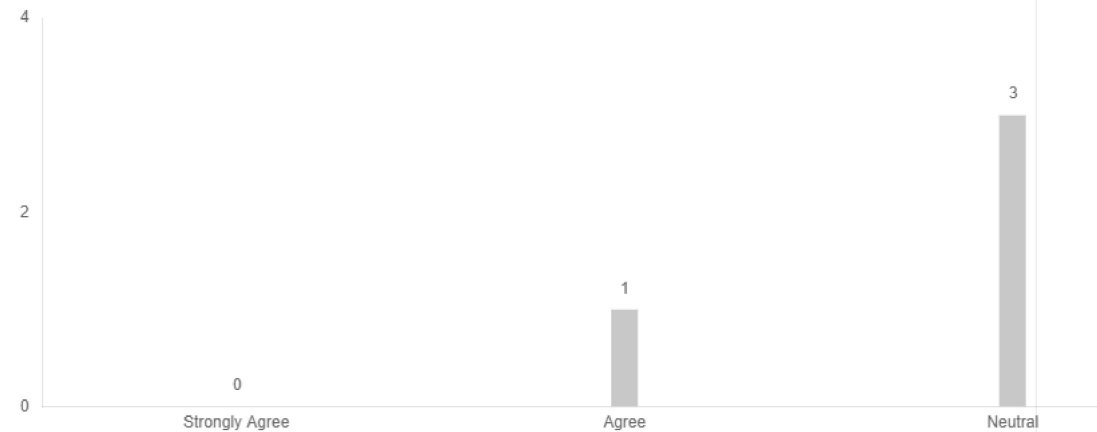

Tushar

I think the page can be translated to english and it could be more user friendly.

Neeraj

adding a picture of author

Single Selection: It was difficult for you to complete the tasks assigned?

Malkeet	Well, there was no image in each of the 3 tasks. The images did not load for any of the tasks.
raj	there were no photo
Suraj	its written task 2 so maybe its for 2nd type of work
Tushar	The image contains a typewriter which the author is typing.
Neeraj	there is no any photos of author
